

Hillcrest High School Summer Camps 2018

Hillcrest summer camps provide instruction for all middle school student-athletes. These camps are instructed by the Hillcrest High School Head and Assistant Coaches. One on one instruction is the focus at the camps. All camps emphasize the fundamentals of the game. Hillcrest wants **YOU** to be a part of their summer. **Come join Hillcrest and experience the fun in 2018!** Grade levels for all camps correspond to the 2018–2019 school year. You can register at either Hillcrest High School in the Athletic Office or with the Head Coach.
