

2016 - 2017
Hillcrest After-School Tutoring Program

Hillcrest High School was awarded a grant to provide after-school tutoring services. The following are guidelines of the program and a listing of providers.

1. As the parent/guardian, you must select a provider from the companies listed.
2. If you choose an off-campus provider, you must provide transportation to the address of the provider.
3. You and your child must make a commitment to participate in the program until the student has completed the entire tutoring program.
4. The provider will provide progress reports on your child.
