

## **BREMEN HIGH SCHOOL DISTRICT 228**

### **Student-Parent-School Compact**

It is the mission of Bremen High School District 228 to provide each student with core values, knowledge and skills in order to thrive academically, socially, emotionally and physically in our diverse world, to develop character and to achieve full potential in one's personal and professional life.

Years of research shows that family involvement in education can make **the** difference in a student's achievement at school and in life. This compact is a written commitment indicating how students, parents, teachers and the principal agree to share responsibility for student learning and improved academic achievement.
